Kids Judo

The Kids Judo program at the University of New South Wales started in 1996 with 2 classes a week. We now have 23 classes a week in six age groups and over 230 children enrolled each term.

Mini Kids Judo 3 - 4 years

These classes develop the core skills of movement with a leaning towards basic Judo movements - safe falling - jumping - balance - contact awareness, as well as developing concentration and self confidence in a games structured environment. Games are developed to create the awareness of the desired skills of Judo with lots of fun and laughter.

5 - 6 years

These classes develop the core skills of Judo - safe falling - balance - contact awareness. The classes are conducted in a games environment where the games are structured to create awareness of the desired skill, Big Ball Sumo, Pillow fights and Crash Mat battles are just some of the fun games the children play.

7 - 8 years

These classes develop specific Judo skills but with a high "game" element. Safe falling skills are more developed to increase the ability to relax during the fall. Gradings commence in this age group.

9 - 10 years

These classes develop throwing and groundwork techniques with games designed to challenge mentally and physically. Techniques taught are required for gradings.

11 - 13 years

These classes develop throws, groundwork techniques and overall body strength. Classes develop strategy with a focus on competition depending on individual player's maturity.

About the club

The University of New South Wales Judo Club was started in 1956. Since then the club has grown to be the largest judo club in Australia with over 200 registered members.

The club caters for many levels of judo players. Our members range from players that come to training once a week to learn and keep fit, to reps on the national team who train virtually every day. We also have self defence classes based on judo techniques, and childrens classes from 3 - 14 years of age, where the emphasis is on fun, maximum movement and falling safely.

The club has a history of successful competitors and we have had many club members represent Australia at World championships and Olympic Games.
